Subscribe to the Sift®

The Sift newsletter, an educator’s guide to the week in news literacy, is published Mondays during the school year. It covers trending topics in social media, misinformation, AI and journalism and provides classroom-ready tools. [Click here to subscribe.](#)

Daily Do Now Slides

Receive a week’s worth of standards-based bell ringer activities! Discussion prompts have addressed conspiracy theories, branded content and the First Amendment. [Click here to see more.](#)

RumorGuard®

RumorGuard helps people spot misinformation and stop its spread, debunk viral rumors and identify credible information. [Use trending examples](#) of misinformation in your classroom.
